

UNIVERSIDAD  
AUSTRAL

## Degree Programmes

This document provides basic information about the university. **Please do your own research before applying.**

This study placement is available for **ABS (IBML and English speaking)** and LSS students.

Number of places: 2

## Application Process

To apply for this opportunity you must submit an online application.

Link to the online application can be found in the **How to Apply** section in each university ad. Online application form requires registration, please register with your Aston University e-mail.

Please note that you can submit one application only. As a part of the application, you must provide three universities in order of preference, which should also be specified in your motivation letter.

You are required to submit one motivational letter, which must be focused on your first priority.

**Please do not contact the partner university directly as all the applications are processed by Aston's International Projects Team.**

### The University

Av. Juan de Garay 125  
C1063ABB, Buenos Aires  
Argentina  
Tel: (+ 54 11) 5921-8000

**Universidad Austral** is a young yet renowned university in Buenos Aires. Its goal is to provide education of the highest academic standards, and contribute to the students' overall development as human beings. Over the past years, the university has been accredited by local and international institutions, which certify the excellence of undergraduate and graduate education at Austral's Schools.

The University holds close ties to the private sector in Argentina. Most recently the creation and development of Austral's Tech Park has become a major initiative in building a bridge between academia and the professional world.

## Location

### Campus Locations

**Buenos Aires** → Located in the downtown.

**Rosario** → Argentina's second city, 300 km from Buenos Aires. Rosario has grown significantly over the last years due to its leading role in agribusiness. With 1,200,000 inhabitants, Rosario has an alluring cosmopolitan feel, supporting theatres, art museums, historical mansions, national monuments, and two professional soccer teams. Located 300 kilometres upriver from Buenos Aires on the Paraná River, the city has a rich history influenced by European ancestry in a uniquely South American way--giving the busy city centre a flavourful charm evident in its language, style, and excellent cuisine.

## Academic Year

### Semester/key dates

Autumn Semester:	August-November	(Exams until December)
Spring Semester:	March - June	(Exams until July)

### Orientation

Before beginning the semester, there will be two days of orientation for the exchange students, where they will receive detailed information and enjoy different activities to get to know each other.

## Academic Calendar

### Courses Available

When selecting courses, students should bear in mind that:

- Not all courses are available in both semesters
- There could be timetable clashes
- Program/curriculum changes may occur
- Some courses have a higher language requirement
- A cap may apply to some classes

Austral recommends choosing two or three extra courses for greater flexibility.

Students may try different courses during the first week of classes before confirming their course registration.

Students will study at Austral, either for the full academic year or for one semester only.

IBML students are required to study modules in Spanish.

All other ABS degrees are able to choose English/Spanish modules.

### Workload

Students will choose modules from the Business school and can also choose modules from other schools where relevant to their Business degree. Students will study the equivalent of 30 ECTS per semester. This equates to around 5 modules per semester.

## Living in

- **Housing**

There is no on-campus accommodation. The exchange coordinators will provide housing options upon application.

- **Cost of living estimates**
